## **Owner Rider/Home Produced**

The Owner Rider/Home Produced refers to one category, rather than two distinct categories (i.e. Open and Owner Rider/Home Produced). *The conditions below apply.*

The aim of these classes is to provide events for competitors who own and care for their own horse/s daily and produce (work/train/ride) their horse/s without external assistance of a “professional” stable, business, or individual. Private education is encouraged but assistance in caring for and producing the horse/s for showing by individuals associated with a professional stable or business is not in keeping with the intention of these classes.

### **Criteria**

1. Horses must be owned and registered with EA in the name of the rider or the rider’s immediate family (such as: wife/husband/de facto, mother/father/legal guardian, siblings) within the State of residence. Horses must be ridden by the registered owner or the registered member of their immediate family.
2. Horses must be registered in the State in which it is competing, and in the care of, and being produced for showing solely by, the owner/rider (or immediate family) at least 6 months prior to close of entries.
3. If the horse is stabled or agisted at a professional stable, the horse may be cared for but not ridden by a professional or any employee, or close contact of a professional stable/business in the six months prior to the close of entry.
4. Horses may only compete as a Hack or Show Hunter during the 2023 OTT, Owner Rider/Home Produced December Show, not both.
5. Owners must be current financial Competitor, Show Horse, Participant or Supporter members of EV at the time of entry.
6. Riders must be 5 years of age and over on the day of competition and must be Competitor, Participant or Show Horse members of EV at the time of entry.
7. Leased horses are not eligible.
8. Horses/ponies in partnership with others – other than the immediate family – are not eligible.
